

Dear delicious Quiver member

Welcome to the second of our membership newsletters, designed to give you the latest information on what's new in the world of Mme Q and Quiver!

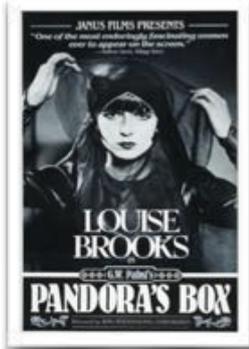

EVENTS

Awe-inspiring Amore and Absinthe

Thank you again to all of you graced the Amore & Absinthe event and made it a truly magical evening. Reader Linda Langford-Powell's beautiful, sensual poetry collection *One Breath at a Time*, exquisitely illustrated by Fred Charap, is now available to buy from the Quiver shop, price £4.99. The fabulous K8 the Poet has also promised to share her many talents with us again at future events.

Film Night – Saturday 30 May 2015

Just a reminder that we'll be screening the classic silent film *Pandora's Box* (1929), starring the luscious Louise Brooks and directed by Pabst. In essence, it's the story of a young woman whose 'insouciant eroticism' inspires lust and violence in those around her. Tickets are £10 (£9 to you members) and spaces limited to 25. The ticket price includes a glass of wine or non-alcoholic refreshment for those who are driving. Popcorn will also be available to purchase on the night! Tickets must be purchased in advance from the shop.

Event projects pending

Plans are in the pipeline for many more Quiver events – some in the intimate salon setting of the shop, while others may be a little more ambitious...

- Quills. An evening of erotic storytelling and fine wines.
- Beyond the Grave. Gothic ghost stories with more than a hint of eroticism.
- Gin Alley. An 18th-century/Hogarth-themed evening of burlesque, debauchery and general mischief! All rakes and harlots welcome.
- Roaring 20s. Gin cocktails, live music, decadence, naughtiness and perhaps a little nudity...

WEBSITE NEWS - www.quivercompany.co.uk

Exciting things are afoot for our website. Over the next few weeks, improvements will be made so that there will be an interactive events section and e-ticket purchasing facility, a blog page for the verbose Mme Q, a rolling gallery of product, event and shop images and a small e-commerce (*gasps!*) section. Hallelujah!!

UNIQUE QUIVER ART PROJECT

After meeting local arts and crafts talent, Amanda Betson, by chance a couple of months ago, Mme Q had one of her light-bulb moments (*gawd 'elp us!*): "How about erotic papercuts? I bet no-one's done that before!" And with that, Amanda was set loose with a book of Shunga art (thanks for the loan Lauren!), some sharp knives, together with hefty portions of artistry, technical skill and interpretive imagination and after 21 hours of eye-watering work, these two beautiful pieces of unique art were the result! After Eiri (1801) and Hokusai (1814), priced £120 and £220, one-offs, available to buy now.
