

MEMBERSHIP NEWSLETTER (6) SEPTEMBER 2015

Welcome to September's relaxed, sun-kissed and – *with apologies* – slightly belated membership newsletter, with all the latest information about what's fabulous, fun-filled and fruity in the world of Mme Q and Quiver!

CONFIRMED EVENTS

THE FINAL WORD – **WE PROMISE!**

Quiver's sex-themed comedy night rescheduled and rebranded as 'Cock tales, canapés and comedy!' for Saturday 6th February 2016

Hallelujah and praise be! After much fevered negotiating, we're delighted to confirm the line-up for this long-anticipated event! Still with its raunchy theme, our MC for the evening is Suffolk-based seasoned professional Kirsty Hudson. Headlining the evening will be the hilarious Abi Roberts (*pictured*) – recently named in *GQ* magazine's 'top 10 stand-ups to see in 2015' (you can get more info on Abi at <http://abiroberts.com>). There will be two other support acts – one being Quiver favourite K8 the Poet, whose ribald rhymes and saucy syntax always steal the show (think Pam Ayres meets Frankie Howerd via Jo Brand!). Tickets will be available soon from the Quiver website and shop. The price, £25, includes canapés and a Quiver cocktail on your arrival.

DON'T FORGET QUIVER'S HALLOWEEN TREAT!

Black Shuck Cambridge Ghost Tours (of Rochester evening fame) are returning to thrill us with three separate Victorian séance sittings over the Halloween weekend. On the evening of **Friday 30th October** we'll be offering a members-only discounted and exclusive Quiver Victorian séance experience. See <http://cambridgeghosttours.com/> for full details and tickets.

SATURDAY 7TH NOVEMBER 2015:

HAVE YOU SAVED THE DATE?

Come and help us celebrate at our one-year anniversary party from 8pm. Plenty of fun and frivolity will be had, with burlesque performances from the delicious Finesse Temptress and a licenced bar. Entry is £5 and tickets will be available soon from the Quiver website.

JOIN US FOR AN EPIC PUB CRAWL THROUGH HISTORY!

Ruth Ball, founder of bespoke liqueur company Alchemist Dreams, joins us at Quiver to present an intoxicating evening on **Friday 20th November**. During the evening Ruth will be introducing her new book, *Rebellious Spirits – The Illicit History of Booze in Britain* (available on the night for the special price of £10 – RRP £14.99), regaling readers with her boozy romp through events and characters on the wrong side of the law, from the origins of spirits in ancient

Greece right through to the present day via Scottish bothies, Cornish coastlines and London gin palaces. Combining scintillating storytelling with cocktail tastings and a book signing, this should be a thoroughly potent evening! Tickets are £25 and the price includes four cocktail tasters. Over 18s only. Tickets in advance via the Quiver website and shop.
